The Calabar Old Boys Association (COBA) Canada is delighted to announce, and to cordially invite you to, this year's Annual Golf Tournament. If you were with us last year, you may look forward to enjoying again a well-organized event. You will take advantage of a scenic 18-hole course with its challenging mix of water hazards, sand traps and undulating terrain; then the welcoming club house where you will have two opportunities – LUNCH and DINNER – to savour the Club's great cuisine. So, whether you wish to play the course or stay close to the club house, relax on the patio or in the tent enjoying sweet reggae music, please join us.

COBA will appreciate your participation even more, knowing that proceeds go to our ADOPT-A-BROTHER scholarship program which will make it possible for a growing number of bright boys – who otherwise would not be able – to attend Calabar High School, one of Jamaica's finest schools, outstanding in both academics and sports.
